COUNTY FISCAL LETTER (CFL) NO. 97/98-41

**TO:** COUNTY WELFARE DIRECTORS  
COUNTY FISCAL OFFICERS  
COUNTY AUDITOR CONTROLLERS  
COUNTY PROBATION OFFICERS

**SUBJECT: FISCAL INSTRUCTIONS AND INFORMATION FOR ASSISTANCE  
EXPENDITURES FOR CALIFORNIA WORK OPPORTUNITY AND  
RESPONSIBILITY TO KIDS (CalWORKs) AND TEMPORARY  
ASSISTANCE TO NEEDY FAMILIES (TANF) IMPLEMENTATION**

The purpose of this letter is to provide fiscal information and claiming instructions for aid payments associated with the CalWORKs implementation on January 1, 1998, and to meet federal TANF requirements under the Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996. This CFL includes information and/or instructions that are effective January 1, 1998 for: (1) aid codes, (2) assistance claims, (3) assistance claim support documentation, (4) funding sharing ratios, (5) the fund advance process, (6) demonstration project assistance claiming and (7) reporting cash assistance and services expenditures provided by vendor payments or voucher.

**I. AID CODES****A. *Revisions to Existing Aid Codes***

As displayed on Attachment 1, aid codes 30, 35, 3P, 3R, 32, 33, 3G, and 3H have no significant changes. The only changes to these codes are: (1) the title, AFDC to CalWORKs and (2) where appropriate within the definition, AFDC to TANF. The definitions of these codes remain the same.

**B. *New Aid Codes***

The following are the eight new aid codes that have been established as a result of the implementation of CalWORKs. Please reference Attachment 2 for the definition of each new code. Claiming instructions for these new codes are provided to you in Section 2.A of this letter.

**Diversion:** For the Diversion Program, aid codes 3J Family Group (FG) and 3K Unemployed (U) are assigned to persons that have been determined to be appropriate candidates for a lump sum diversion payment/service that is funded with a federal financial participation (FFP) share. Please reference Section 4 for the current FFP/State/County sharing ratios. The aid codes 3X (FG) and 3Y (U) are for persons that have been granted a lump sum diversion payment/service with no FFP share (i.e., non-federally eligible legal immigrants). The sharing ratio is 0/95/5 (federal/state/county).

**Legal Immigrants:** There are four new aid codes for the legal immigrant population. The state-only aid codes have been established for the legal immigrant who is not federally eligible under TANF. Aid codes 3L (FG) and 3M (U) are for legal immigrants that entered the U.S. on or after August 22, 1996 and aliens permanently residing under the color of law, who do not meet all the federal TANF eligibility requirements, but State law requires the individual to be aided. The effective date of these codes is retroactive to August 1996 and the funding is 0/95/5 (federal/state/county) sharing ratio.

There are mixed cases that have at least one federally eligible legal immigrant and one non-federally eligible immigrant, aid codes, 3E (FG) and 3U (U) have been established to report the expenditures for these cases. The effective date of these codes is retroactive to August 1996. Reference Section 4 for the current sharing ratios for the federally eligible person. For the non-federally eligible individual in the mixed case, the funding is 0/95/5 (federal/state/county) sharing ratio.

Please reference Section 2.B, CA 800L (STATE), for retroactive adjustments for the expenditures from federal to state funds.

### **C. Deleted Aid Code**

**Emergency Assistance (EA) Probation:** As of July 1, 1997, the EA Probation expenditures will be reported on the County Expense Claim (CEC) to the TANF Probation Program. This change was a result of the California Budget Act of 1997 (Statutes 1997, Chapter 282) and the enactment of the Comprehensive Youth Services Act (Chapter 3.2, commencing with Section 18220, of the Welfare and Institutions Code). The FFP for this program is passed through the county welfare department to the county probation departments. There is no state or county share.

Therefore, the 4K aid code will be deleted on January 1, 1999. This will allow counties to make adjustments to their claims within the 18-month claiming time limit. (Please reference Section 2.A, CA800 EA (STATE), for claiming instructions to report any adjustments.)

## 2. ASSISTANCE CLAIMS

The following are descriptions and instructions for revised, new and obsolete assistance claims. Please reference Attachment 1 for the relationship of the assistance claim forms to the aid codes. Attachment 3 includes the revised and new assistance claims. Only camera-ready copies of these forms are available upon request. Please contact:

California Department of Social services  
Forms Management Unit  
744 P Street, M.S. 7-182  
Sacramento, CA 95814  
Telephone Number: (916) 657-1907

### **A. *Revised Assistance Claims***

CA 800 (FED): The CA 800 (Federal) Summary Report has been simplified. The changes include a new title, person counts lines have been removed, and there is a line for reporting the countable TANF maintenance of effort. Also, the sharing ratios are not displayed. Please reference Section 4 for more information on the current sharing ratios. The CA 800 (FED) (1/98) is effective January 1998 Report Month. The CA 800 (Federal) (7/91) will be obsolete January 1, 1998.

CA 800 (STATE): The CA 800 (State-Only) Summary Report also has been simplified. The changes include a new title, person counts lines have been removed, and there is a line for reporting the countable TANF maintenance of effort. The CA 800 (STATE) (1/98) is effective January 1998 Report Month. The CA 800 (State-Only) (7/91) will be obsolete January 1, 1998.

CA 800 EA (STATE): Prior to July 1, 1997, the EA Probation assistance expenditures were reported on the CA 800 (EA) Summary Report. As a result of the funding changes, all EA Probation expenditures are reported on the CEC under services funded from the Comprehensive Youth Services Act. Please reference CFL No. 97/98-12 dated September 2, 1997.

The assistance expenditures for EA Foster Care should be reported on the revised CA 800 EA (STATE). The funding ratio for these expenditures is 0/70/30 (federal/state/county) and was effective July 1, 1997. Claim adjustments prior to July 1, 1997 for cases with an aid code 4K (EA Probation) should be reported on the old form CA 800 (EA) (10/93). This process will ensure that the previous sharing ratios (50/20/30 federal/state/county) are applied for adjustments submitted within the 18-month claiming time limit.

**B. New Claims**

CA 800D (FED) and CA 800D (STATE): For the Diversion Program, there are two new claims. These claims are used for reporting the expenditures for lump sum cash or noncash payments/services. As the State continues to maintain the cash accounting policy for reporting expenditures, counties are reminded that diversion noncash payments/services should only be reported on the CA 800D (FED) or (STATE) in the month in which the invoice or voucher is paid to the service provider. However, cash payments may be reported in the month in which the warrant is issued. Please reference Section 4 for the sharing ratios for on the CA 800D (FED).

The "Main Payroll" line under the Current Month Section should be used to report one-time or short term lump sum payments when payments are proportioned as recurring payments. All other one-time lump sum payments (non-recurring) should be reported on the Supplemental Payroll lines.

Until the draft federal regulations are finalized and/or CDSS issues alternative program policy directives, counties are instructed to implement the CalWORKs Diversion Program as instructed in the All County Letter (ACL) No. 97-68 dated October 29, 1997 and to report expenditures as instructed above.

CA 800L (STATE): The new state-only Summary Report for Legal Immigrants will be used to report assistance expenditures for non-federally eligible legal immigrants.

Counties were instructed in ACL No. 96-52 dated September 19, 1996 to "flag" the legal immigrant client that entered the United States on or after August 22, 1996, and received AFDC assistance. Counties were also instructed to operate the AFDC program using the existing regulations. Therefore, the assistance payments for all eligible legal immigrants entering this country on or after August 22, 1996 include FFP and are currently being reported on the CA 800 Federal assistance claim.

Counties are now instructed to make retroactive assistance reporting adjustments. For the August and September 1996 Summary Reports, adjustments should be made no later than the May 1998. However, beginning with the October 1996 report month, adjustments are subject to the 18-month claiming limit. To complete this retroactive process, counties should shift from FFP to state and county only funding for legal immigrant assistance expenditures. The negative adjustments should be reported on the CA 800 (FED) (1/98) and a positive adjustment on the CA 800L (STATE) (1/98) claims.

CA 800M (Mixed): The CA 800M (Mixed) is summary report of legal immigrants that are in a mixed cases. These cases have both federally eligible and non-federally eligible legal immigrants. Counties are instructed to report persons

counts for these cases with the respective expenditures. The mixed case should be reported as a federal case and the assistance payment should be prorated by case.

*Example: Household of four legal immigrants. Mother was lawfully admitted for permanent residence in the U.S. after August 22, 1996 (new entrant) and is unemployed. The father and two children have been in the country prior to August 22, 1996 and the father is currently unemployed. The case is eligible for assistance and is assigned aid code 3U. The case is counted and reported as a federal case. The assistance payment of \$400 is paid with one warrant. The expenditure should be displayed on the detailed payroll report equally proportioned between each household member, e.g. 1 adult persons count with \$100 and 1 adult and 2 children persons count with \$300. The CA 800M and payroll summary which supports the CA 800M should display the total monthly federal and state persons counts and expenditures.*

Counties should make retroactive adjustments as instructed in the above section, CA 800L (STATE), for the legal immigrant mixed cases.

### **C. Obsolete Assistance Claim**

DFA 881 (7/94): The Summary Report of Assistance Expenditures for EA/General Assistance (GA) will be obsolete as of January 1, 1998. Claiming instructions for the EA/GA costs will be issued in a separate CFL.

Counties are reminded of the 18 month claiming limit for reporting prior month assistance expenditure adjustments (reference CFL No. 96/97-47 dated March 13, 1997) and the delegated signature authority (reference CFL No. 96/97-26 dated September 30, 1996 and CFL No. 96/97-48 dated March 28, 1997).

## **3. ASSISTANCE CLAIM SUPPORT DOCUMENTATION**

CFL No. 96/97-48 dated March 28, 1997 and an Errata dated August 6, 1997 provided counties instructions regarding the required supporting documentation to the assistance claims. These instructions and policies remain in effect. Counties are again reminded to attach only one copy of the required support information to each related assistance claim and only the detail payroll information as required. Attachment 4 is a revised chart of support documentation for the identified line items within the claims.

## **4. SHARING RATIOS**

For claiming, payment, and advance purposes, the federal and state sharing ratios are established at 69.2/28.3 percent (federal/state) beginning January 1, 1998 through June 30, 1998. Counties will participate at 2.5 percent of the total costs. The county sharing ratio will be adjusted based on the statutory requirements. These sharing ratios can be used for county budgeting purposes. The sharing ratios are subject to change each fiscal year based upon the State budget assumptions. Counties will be notified as necessary.

## **5. ADVANCES**

The CDSS will continue advancing funds to meet the counties cash flow needs.

## **6. DEMONSTRATION PROJECTS**

Effective January 1, 1998, participants of the California Work Pays Demonstration Project (CWPDP) will transition into the CalWORKs Program. Therefore, it is not necessary for counties to continue to distinguish this control group in separate CA 800s. All prior month adjustments should also be included in the non-distinctive CA 800s.

The CalWORKs requires implementation of demonstration projects such as the Child Support Assurance and Non-Custodial Parent projects. The fiscal claiming instructions will be issued as necessary after counties have been selected to participate.

## **7. VENDOR PAYMENTS AND VOUCHERS**

CalWORKs requires the issuance of mandatory vendor payments or vouchers for at least rent and utility payments to any assistance unit (AU) in which any parent or caretaker relative is sanctioned for at least three consecutive months. There are also mandatory vendor payments/vouchers for families in which the adult is ineligible because of a drug-related felony conviction.

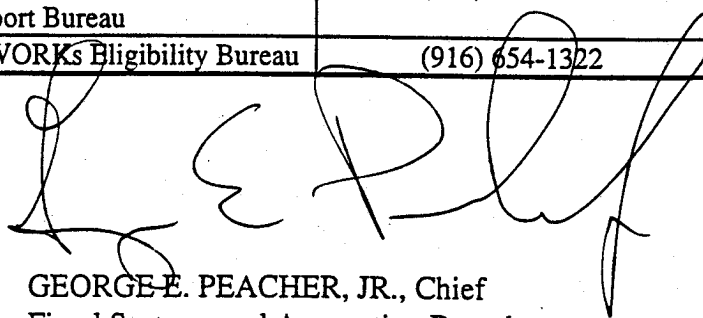

As defined in the Fiscal Policy Manual Section 25-360.2, a vendor payment is a payment made directly to a person or agency supplying goods or services to an aided case. Although the vendor payment requirement will result in several warrants issued on behalf of the AU, this process will be transparent for assistance claiming. The amount of the total grant will be reported in the claim.

Voucher payments shall only be claimed at the time the voucher is paid to the service provider as instructed above in Section 2.B, *CA 800D (FED) and CA 800D (STATE)*.

As we begin to move forward in implementing CalWORKs, future CFLs will include assistance claiming instructions for the Safety Net Program and state-only funding to complete a recipient's 60 months cash assistance under State law as mentioned in ACL No. 97/65 dated October 29, 1997. In addition, counties will be notified as soon as possible if fiscal claiming instructions are modified as a result of the final TANF regulations and resulting state program redesigns.
